To Cllr Rob Owens,
Herefordshire Council,
Plough Lane,
Hereford,
HR4 0LE

Dear Cllr Owens,

Some weeks have passed since I last wrote to you asking for your assistance in forwarding my letter to Mr Paul Walker.

As I have not received anything requested, I kindly request that Mr. Jonathan Lester, lead Councillor, and Mr. Rob Owens, Local Councillor, assist in obtaining a copy of the court order permitting continued declared surveillance of my social media, and promptly forward this document to me as soon as possible.

Regarding the withdrawn and repeated proposed legal action against me by Herefordshire Council in Ms Claire Porter's (solicitor) letter to me dated the 5th of September 2023, I would appreciate that the named councillors also pursue this and provide details of when notice will be served, as such unremitting prejudice and threats, have already had inexcusable adverse effect on my chronic ill-health.

You may appreciate that I would prefer not to suffer another stroke or require urgent life-saving brain surgery again due to the attacks, harassment or unrelenting deceit or abuse by council staff, as well as having to manage chronic ill-health.

Further, I seek your assistance in addressing my ongoing council tax dispute. Herefordshire Council's continued refusal to make reasonable adjustments in accordance with the Equality Act for council tax reduction and appeal is a matter of deep concern.

Despite multiple attempts, I have been refused the necessary application forms by post, compelling me to repeatedly pay an incorrect council tax amount periodically since July 2020 due to the prejudice and negligent handling, loss and destruction of my personal data by the council.

I look forward to hearing from you, welcoming an early reply and receiving the requested.

Additionally, I may, in the future and due course, ask for councillor representation assistance regarding legal action or tribunal against Herefordshire Council.

Sincerely

Chris Bury
