CC Mr Paul Walker

Dear Sir/Madam,

Further to the continued demands I receive for Council tax which I refute I should have been paying since your mishandling and destruction of my data, disregard of ill-health, disability, and The Equality Act, find a cheque for [redacted] for the period [redacted] April 2023 to [redacted] March 2024, noting my application for backdating remains ignored and unaddressed since application and your refusal to provide me with the necessary form for almost four years.

Sincerely

[redacted]

Mr C. Bury
