For The Attention of Mr Paul Walker,
Chief Executive Officer,
Herefordshire Council,
Plough Lane,
HR4 0LE.

Dear Mr. Paul Walker,

Having received no response from you personally to my letter dated 22nd October 2024, nor to my earlier correspondence of 27th July 2024 and 12th May 2024, in which I requested your timely personal acknowledgement of my intention to appeal to the Court of Appeal, I feel compelled to write again.

As I have yet to receive any direct response from you, and being mindful of the deliberate obstruction by Mr O'Connor and Ms Claire Porter, I remain deeply concerned that my letters have not been handled as intended, potentially amounting to administrative negligence or a failure to adhere to due process.

Given the seriousness of these matters, particularly regarding the unauthorised surveillance, attempted concealment, and their implications for justice, I must emphasise the importance of your direct engagement to ensure that my concerns are addressed appropriately.

I again request that you confirm receipt of this correspondence, acknowledge my intent, and clarify the next steps in this process. Continued delays or lack of response could exacerbate the situation and further harm the justice I seek, leaving me no choice but to explore alternative actions to safeguard my rights.

Regarding the refusal to backdate my council tax, I consider this demonstrates a dismissive and uncompassionate approach, and I regard it as both unreasonable and ableist.

I trust you will give this matter the urgent attention it deserves, and I look forward to your prompt response.

Sincerely,
[redacted]
Mr. C. Bury
