PRIVATE AND CONFIDENTIAL
Mr C. Bury
[redacted]

Dear Mr Bury,

Your letter 22nd January 2025

I refer to the above letter to the Council.

You have now received correspondence from the Council's Information Governance department which now responds to your letter of the 24 December and a further response to your letter of the 12 March 2024.

The Information Governance department has advised that the Council has not received a letter from you about a towed vehicle and they have requested that you resend this to the email address stated.

In relation to your refuted and unevidenced assertions about monitoring, these are denied by the Council.

In relation to your purported appeal, you have already received confirmation from the Council as to receipt of your documentation. As to the next steps in the process, you will need to seek your own legal advice.

Please serve your appeal to the Council c/o Legal Services at the above address.

Yours sincerely

[redacted]

Sean O'Connor
Head of Legal Services
