Mr M. Samuels,
Director for Adults and Wellbeing,
Herefordshire Council,
Plough Lane,
Hereford,
HR4 0LE.

Dear Mr Samuels,

having reviewed the recent DoLS documentation, please provide without haste, the full contact details of the IMCA referred to in the recent biased DoLS forms you signed granting authorisation for the deprivation of my vulnerable brother's liberty.

I expect to receive the requested details promptly.

I also request to know the following:

1. Why you have, once again, signed DoLS authorisation without first checking accuracy and truthfulness of documentation content?
2. Why have you permitted fallacious comments and personal health information relating to me, shared by third parties, to be published without my consent?

I look forward to a prompt reply.

Sincerely

Chris Bury
