Hi [REDACTED]

The only call made from site to the number provided is below:

Dial from	Dial date	Dial time	Dialled no	Duration
H [REDACTED] H [REDACTED] [REDACTED]	27/07/2018	15: [REDACTED]:19	1432 [REDACTED]	00:00:46

I can confirm I have obtained this outbound call data from site by reviewing the bills for the whole of 2018 and 2019, and filtering down to the date range provided, as well as the number listed. I am unable to know who made the call, and as we do not record the calls for this site, I am unable to provide a transcript of this call.

I can confirm, that based on the information I have available to me, this information is correct and true.

I trust this is OK?

Kind regards.
