

Mr Chris Bury,

Mr Francis Fernandes,
Interim Head of Legal Services,
Herefordshire Council,
Plough Lane,
Hereford,
HR4 OLE.

Dear Mr Fernandes,

Thank you for your hasty letter dated 17th August 2022.

Your dubious explanation for now determining to cease pursuing legal action against me after many vexatious threats & proposals from Herefordshire Council is unacceptable.

Further, your retraction, while evasive, indicates indirect admittance that the local authority's aggravating threats, which caused significant distress, harm and injustice to my family and me, were part of the long-running campaign of discrimination, harassment, intimidation and psychological abuse, benefiting nobody but your colleagues.

Notably, considering the serious allegations and accusations made against me by your coworkers since I reported the neglect and incidents involving my vulnerable brother.

Coworkers, who I am aware are not all 'former colleagues' as you declare, but remain, and include a deceitful social worker who I understand was promoted.

Additionally, by reference to your letter and that of 'former colleagues', I deduce you are referring to a distinct individual. That being your legal profession associate, Ms Kate Coughtrie. A local authority solicitor who previously assisted in submitting false witness statements to the courts.

And I understand allegedly left the service, yet I duly note still publically claims to work for Herefordshire Council.

I look forward to the eventual day that Herefordshire Council staff are before a court of law. Where I will be requesting my property is returned, your colleagues declared detailed police report is disclosed to the courts, and justice is seen to be done for my brother and I.

Lastly, I would suggest that you correct your signature font, as the incorrect spelling of your own name appears unprofessional.

Sincerely

Chris Bury
