

Mr C. Bury,

01-10-2022

Mr Francis Fernandes,
Interim Head of Legal Services,
Herefordshire Council,
Plough Lane,
HR4 OLE.

Dear Mr Fernandes,

Regarding your somewhat contradictory and unapologetic letter dated 20th September 2022.

While you, a legal professional, refer to my deplorable experience of the actions of Herefordshire Council and its staff as 'perspective', I can assure you such is not merely a viewpoint.

Further, regarding your request to 'draw a line under this matter'.

The only line I consider you desire to draw is one indicating you wish to ignore the wrongdoing of your colleagues. A distressing and reprehensible experience that others will likely face.

Such including an extended campaign of deception, harassment, intimidation, punishment, spying and multiple vexatious propositions of legal action for my exposing recurring neglect and incidents involving my vulnerable adopted brother.

Not forgetting the serious act of your colleagues wilfully lying to the courts. Such adversely impacted my physical health, and with intention, your colleagues destroying a caring family.

Additionally, while you appear to desire to protect deceitful public servant colleagues, some of whom wilfully committed contempt of court and have created erroneous and often inaccurate & untruthful records, I remain of the opposite stance and ingeminate I look forward to the eventual day that Herefordshire Council staff are before a court of law, where I will be requesting my property is returned, your colleagues declared detailed police report is disclosed and justice is seen to be done, both for my brother and myself.

Lastly, whether you become implicated due to authorising or assisting colleagues to conceal, create false records or commit further unlawful acts, this is a decision you independently make with formal knowledge of the law.

Sincerely

Chris Bury
