Mr C Bury

Dear Mr Bury

I write further to your letter of the 11th July 2022. I needed an update from staff on the issues. This has taken some time and I apologise for the delay in responding to you.

Having considered the matter carefully and noting the position that my former colleagues had taken, in particular the suggestion that Court action may be taken against you, owing to the time that has now passed, there are no current plans for the Council to commence legal action against you.

I trust this clarifies the Council's current position for you.

Yours sincerely

Francis Fernandes
