Dear Kate

Further to our discussion on 23<sup>rd</sup> November, please find attached quote that has been obtained in respect of collecting the belongings for [REDACTED] from his late mother's property and storing the same until the Deputy is ready to examine these and establish what can be sent to [REDACTED] or disposed of.

A suggested date for removal would be the first week of January and I look forward to hearing from you on this.

With regard to Christopher Bury's laptop, , I am advised that the hardware involved is :-

1. A desktop PC (black mid80X case)
2. An RRI LED RGB keyboard
3. A Logitech webcam
4. A mouse
5. Speakers and base box
6. An LED monitor
7. A gigabyte GAG31M – EST2L motherboard (white) containing recovery discs, manuals and spare parts

We suggest that APC Couriers are used to deliver the items to our Kidderminster office. Whilst we do have a Worcester branch, I will not be there in person to sign for the delivery and given the complexities of this case I would rather ensure that we receive everything in person rather than leaving it to a colleague.

Details for APC Couriers are as follows:-
