To Cllr Jonathan Lester,  
Herefordshire Council,  
Plough Lane,  
Hereford,  
HR4 0LE.

Dear Cllr Lester,

I appreciate your prompt response dated the 7th of December 2023 regarding my previous letters dated the 5th of November 2023 and the 4th of December 2023.

Regrettably, it seems there might have been some confusion regarding my initial request. I kindly seek your assistance in writing to and obtaining a copy of the court order authorising the continued monitoring of my social media and website, as referenced in Ms. Porter's communication from Herefordshire Council, dated the 5<sup>th</sup> of September 2023.

It would assist me if you could obtain and forward this copy of court order to me at your earliest opportunity.

If you are unable to obtain and provide a copy, I ask that you write to me directly, regarding the council's refusal, detailing reason.

Your support in providing the requested would be appreciated.

Furthermore, for your reference, I have already taken steps to address my concerns with the Solicitor Regulatory Authority regarding Mr O'Connor's previous correspondence, which is enclosed.

I will continue to pursue appropriate actions, including involving the relevant authorities, should employees chose to continue their deceit, vexatious communications or harassment.

Lastly, as previously mentioned in my letter dated the 4th of December 2023, I anticipate requiring your assistance in utilising your powers as a councillor to access and obtain statements, documents or records for Investigatory Power Tribunal, which I believe is essential for a fair resolution.

As matters are ongoing and Mr O'Connor is uncooperative, I ask that you keep

my communications confidential, but forward his enclosed received letter of 18<sup>th</sup> December 2023 and my response letter, to him.

Thank you for your attention to these matters and eagerly await your response, and welcome an early reply.

Regards

C. Bury
