

We also discussed the mobile phone that Chris was setting up for [REDACTED] he was adding extra software. The suggested plan was for R [REDACTED] to take it out with him next week.

Hi Chris, I hope you are well?

I do apologise for missing your calls this week, I have been out of county and in meetings most of the week.

I have tried to call this afternoon but your phone has been engaged for a bit.

I am on duty this afternoon but I am going to be in and out of office, I believe S [REDACTED] is visiting this afternoon.

I am in the office all tomorrow afternoon so I will call you after 2 tomorrow if that's ok?

Many thanks and take care
