Dear /Sir/Madam,

Case Ref: IPT/[REDACTED]

I am deeply concerned about the discrepancies between the information provided to the Investigatory Powers Tribunal by Herefordshire Council to date and the reality of the situation. It appears that there are misrepresentations regarding the extent and nature of the monitoring activities conducted by Herefordshire Council over the years.

Therefore, to further substantiate Herefordshire Council has attempted to mislead, and I believe intentionally tried to deceive the IPT regarding their years of monitoring of my website & social media while repeatedly proposing or threatening legal action against me, I provide a password-protected file containing untouched and more comprehensive detailed log files.

For transparency and fairness, I propose to provide the password to this encrypted file once Herefordshire Council has provided a satisfactory response to the IPT or upon receiving permission to present evidence to the tribunal panel directly.

I firmly believe this evidence will additionally corroborate my claims and shed light on Herefordshire Council's disregard for its policies used during the period in question (copies of which I have attached to this email), established laws and lawful processes.

Sincerely

Chris Bury
